

Collin County Medical Reserve Corps

Needs Your Help to Fight the Hazards in Our Community

What is Medical Reserve Corps?

A group of volunteers who are medical and non-medical, that are a part of a network in the U.S. that bands together locally to assist the community in the event of a natural or man-made disaster or a public health emergency.

Our Mission

The Medical Reserve Corps is a volunteer organization that protects and promotes the health and well-being of the residents of Collin County.

Role of Medical Reserve Volunteer

- Staffing our points of dispensing sites (PODS), which provide emergency medications or supplies such as vaccines and antibiotics
- Flu clinics and back to school immunizations
- Epidemiologic assistance
- Health promotion and health fairs

Qualifications to Become a MRC volunteer

- 18 years old
- Pass a criminal background check
- Complete the application process

Help us protect your family!
